CO-ED SOFTBALL TOURNEY

Church SOFTBALL League

OCTOBER 3RD

Winter Park

900 E. Winter Ave. Danville, IL

TOURNEY INFO

This is a CO-ED Interdenominational Church Softball Tournament that is helping determine interest for a CO-ED Church Softball League next summer/fall. There is a limit on the number of teams playing in the tournament, so please reserve your spot by completing your registration as soon as possible. Each team needs the endorsement of a local church and players need to be active in attending worship at those churches and must be at least 16 years of age.
All teams should be equally male and female throughout your lineup unless playing with nine players, then you may have one more male or female player. The batting order will rotate between men and women. If a male is walked, he moves directly to second base and the female has the option of hitting or moving directly to first base. There is a 3 Home Run limit. The Tournament Sponsor will provide softballs, which are 52/300 Hot Dots. ASA Slowpitch Softball rules otherwise apply.

REGISTRATION

Registrations will be accepted until Wednesday, September 23 at 4:00 p.m. or when all team spots have been filled. Please mail your Registration Check and Church Name to Robbie Ketcherside at CrossRoads Christian Church to complete the registration process. The cost is $150 per team. Everyone will play at least 2 games (churches can have more than one team). On Monday, September 28, teams will be contacted with your game time and have the opportunity for a bracket to be emailed to you.
